## EXECUTIVE SUMMARY

The Government of North Sumatra Province targets that there are many international level sports championships carried out in North Sumatra because activities like this could be an arena for North Sumatra to promote tourism.

Sport tourism, as expressed by the Deputy Governor of North Sumatra at the IMI North Sumatra Rally. The 2018 Championship last November was one of the strategies for tourism promotion through activities sports competition. Many benefits can be obtained by North Sumatra through activities such as good international competition for the government and for the economy of the community, especially those who live around the location of implementation championships and athletes. It can also support the promotion and development of the tourism sector in North Sumatra. More and more many people who visit North Sumatra will make it easier and increase investor confidence for invest while accelerating development in North Sumatra.

Humans besides having intellectual and high achievements in the academic field are also required to obtain achieving in the non-academic field. One of them is achievement in the field of sports, in accordance with the potential /interest in it. Karate is one of the most desirable martial arts branches in Indonesia karate sports at the regional and national levels have increased from time to time. In order to facilitate the karateka to improve achievements in the karate sports branch in Indonesia, then UKM karate USU will hold the 2019 USU International Open Karate Championship Karate Championship "USUIOKC" by competing for the University of North Sumatra Rector's Cup as First General Champion. Expected, from This championship can make the University of North Sumatra a university that always prioritizes achievement academic and non-academic from young people who are the nation's successors and can be the permanent agenda of PB FORKI which is held continuously so that it can become a forum for the development of achievements and as a benchmark to assess the development of karate achievements.

In addition, with the holding of this championship in North Sumatra, it is also expected to be able to introduce more North Sumatra to the international world, especially in the fields of sports and tourism. The theme of this match is "Show your spirit for Unity in Diversity as Reflection of Bushido" which means "Show your spirit for uniting differences as a reflection of bushido's soul ". The purpose of this championship is to introduce USU to international level, motivating the progress and development of the karateka-karateka international level, as a venue sportsmanship to obtain healthy and mental achievements that are strong, strengthen the relationship between karateka international level, especially Indonesia and introduce North Sumatra Province to the international world.

## CHAMPIONSHIP RULES

University of Sumatera Utara (USU)

2019 International Open Karate Championship "USUIOKC"

### A. BACKGROUND

Humans Apart from having to have intellectual and high achievements in the academic field as well required to be able to excel in the non-academic field. One of them is achievement in the field of sports, in accordance with the potential / interests they have.

Karate is one of the most desirable martial arts branches in Indonesia. The development of karate sports at the regional and national levels has experienced improvement over time. This can be seen from the achievements that can be carved by Indonesian athletes on the international scene. For this reason, a program needs to be implemented planned development so that coaching will be clearer and directed in order the process of creating outstanding athletes in the regions, nationally and internationally. In order to facilitate the karateka to improve achievements in the karate sports branch in Indonesia, the USU UKM karate will hold the USU Karate Championship 2019 International Open Karate Championship "USUIOKC" by competing for the Trophy's The Rector of the University of Sumatra Utara as the First General Champion.

This championship will add to the flying hours of athletes, especially in which North Sumatra rare special karate championships held by the University international standard. The 2019 USU International Open Karate Championship will be held is one of the work programs of the University Karate Student Activity Unit North Sumatra period 2018. This championship will be held on February 22-24 2019. Hopefully, from this championship can make the University of North Sumatra as universities that always prioritize academic and non academic achievements from individuals young people who are the successors of the nation and can be the permanent agenda of the PB FORKI held continuously so that it can be a forum for the development of achievements and as a benchmark for assessing the development of karate achievements.
